USER MANUAL

MBQ[®]
MAKE THE BEST OF EVERY SOUND

INTRODUCTION

Congratulations on your purchase of a MBQ M40X 2-way coaxial component speaker system.

MBQ M40X 2-way coaxial speakers deliver solid performance, superior linearity, efficiency, and great bass response. Upgrade to MBQ M40X speakers and hear the perfect balance of power and control.

When installed and configured properly, this MBQ M40X coaxial 2-way speaker set will bring a new level of realism and impact to your mobile entertainment system.

These speakers are designed with a shallow mounting depth for easy install into a wide variety of vehicles. Speaker grilles are not included.

To get the best performance from your coaxial speakers, we recommend that you have this coaxial speakers installed and configured by an experienced professional.

Specific designed for BMW.

⚠ WARNING

Continuos listening at high sound level (above 110dB) can durably damage your hearing.

Listening above 130dB can damage your hearing permanently.
